[Issued patents](#)[Applications](#)Did you mean: ***transmitting a public key to mobile device***[\[APPLICATION\] Method of distributing a public key](#)

US Pat. 10497674 - Filed Dec 10, 2002

The availability of **mobile** stations and their widespread distribution ... the bank to register the public **key** of a **mobile device** in a secure manner without

...

[Cryptographic **key** distribution method and system](#)

US Pat. 5124117 - Filed Mar 25, 1991 - Matsushita Electric Industrial Co., Ltd.

Each terminal may have its own public- **key**-encoding **device**, **key**-encryption-**key** ... and for **transmitting** the first ciphertext signal over said communications

...

[Secure **mobile** storage](#)

US Pat. 5442706 - Filed Feb 27, 1992 - Hughes Aircraft Company

The present: invention the necessity of **transmitting** numerous sets of keys to ... The public **key** known to B and a private **key** known to A. secure, **mobile** ...[Communications system and method using vehicle identifications](#)

US Pat. 5844987 - Filed Jan 3, 1997 - Ericsson Inc.

The selected message can also be a codeword **key**. The registered **mobile** ... a vehicle identification to database system 12 by **transmitting** a reporting signal

...

[Method and apparatus for conducting crypto-ignition processes between thin ...](#)

US Pat. 6263437 - Filed Feb 19, 1998 - Openware Systems Inc

them before re-encrypting with the appropriate **key** and **transmitting** them to the ... Referenced by 106 is of the **mobile** devices that can be a **mobile device**, ...[\[APPLICATION\] Determining a target transmit power of a wireless transmission according to ...](#)

US Pat. 11097145 - Filed Apr 4, 2005 -

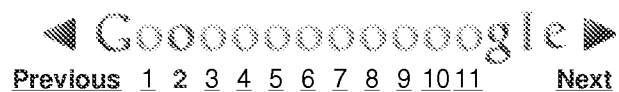

[0014] The unencrypted session **key** should be sent securely over communication link 114 from smart card reader 104 to **mobile device** 102 to prevent a third ...[Key distribution in public communication networks taking account of security ...](#)

US Pat. 5216715 - Filed Dec 12, 1991 - Siemens Aktiengesellschaft

The SMZ thus flags the message block transmitted by the **transmitting** station to the ... Furthermore a **device** for monitoring the time frame of the **key** ...[Method and apparatus for providing position-related information to **mobile** ...](#)

US Pat. 6199045 - Filed Aug 15, 1996 - Spatial Adventures, Inc.

That is, all subsequent transmissions with the **mobile** unit 103' will be encrypted using the symmetric **key**. The **mobile** unit 103' encrypts the challenge field ...[Virtual private network system over public **mobile** data network and virtual LAN](#)
